My Portfolio

WORK EXPERIENCE

National Service Scheme
IT Consortium, Adjiringanor.
2022 - 2023

● Built an Internship Management System using HTML, CSS, and Vanilla JavaScript, enhancing both technical proficiency and teamwork skills.
● Designed workflow mockups using Figma and gained exposure to Angular, which strengthened adaptability and the ability to quickly learn new tools and frameworks.

Graduate Intern
Giacare, Adenta
April, 2024 - June, 2024.

● Developed an Employee Assessment Platform using ReactJS, Node.js, and MongoDB, gaining hands-on experience in full-stack web development.
